## 3H Movement

We make safes

**Head (Creativity),  
 Hand (Do),  
 Heart (Sincerity)**

to maximize our customers satisfaction.

## Austen Security Safes are made by very honest and diligent people.

We are proud that Austen Security Safes have been enjoying interests and reputations from people around the world over 70 years. Austen Security Safes allow various choices with fire safes, cash storage safes, rifle safes and fire resistant filing cabinets. All possible models and sizes are provided with mechanical locks or digital locks for homes, offices, hotel rooms and government run big organizations.

## Austen Security Safes bear its workers' skills, sweat and heart in it.

Austen Security Safes are different. All the safes look alike, but are quite different in material used, manufacturing process, know-hows, workmanship, functions and design. If you keep a safe at home or in the office, you will feel comfortable, convenient and free. Now, put your headaches in the safe and be free from discomfort and worries.

AUSTEN SECURITY SAFES is a globally-reputed security equipment company exporting world-class products to businesses, governments and homes in countries across the world. With years of experience and a trusted name in the security marketplace, Austen Safes has constructed and designed a range of safes to accommodate varying security storage capacities and designs according to our customers' needs. Using the highest-level galvanized steel plating, strong insulation, mechanical and code-changeable digital locks, Austen Safes manufactures top-of-the-range category, fire, data safes and fire filing cabinets that comply with the requirements of SABS and UL. Produced in a modern factory where Quality Management System ISO 9001 is strictly enforced, our security equipment bears the intelligence, hard work, and dedication of our employees.
